CSR Expenditure Trends

FY 2020-21 to FY 2024-25

Geography, North-East, Aspirational Districts, themes, delivery and the companies behind each finding

Prepared from the CMS CSR Intelligence Dashboard (MCA National CSR Portal filings, dataset built 2026-09-10) | Amounts in Rs crore

CSR SPEND COVERED	COMPANIES / PROJECTS	FIVE-YEAR GROWTH	TOP 5 STATES' SHARE
Rs 68,652 Cr	**1,230**	**+12.3%**	**52.0%**
42.6% of all-India MCA total	60,169 project lines	Rs 13,845 Cr to Rs 15,547 Cr	of state-attributed spend

NORTH-EAST (8 STATES)	ASPIRATIONAL DISTRICTS	EDUCATION + HEALTH	8 UNDER-FUNDED HEADS
Rs 1,920 Cr	**Rs 3,332 Cr**	**51.0%**	**Rs 3,944 Cr**
4.1% of state-attributed spend	4.9% of all spend	of all spend	5.7% of all spend

> Read this first: the dashboard covers 1,230 large CSR-spending companies, Rs 68,652 crore or 42.6% of the Rs 1,61,248 crore all-India total quoted in the concept note. Shares and patterns here describe these companies and will not match the concept note's all-company figures exactly. The advantage is that every finding can be traced to named companies.

SUMMARY

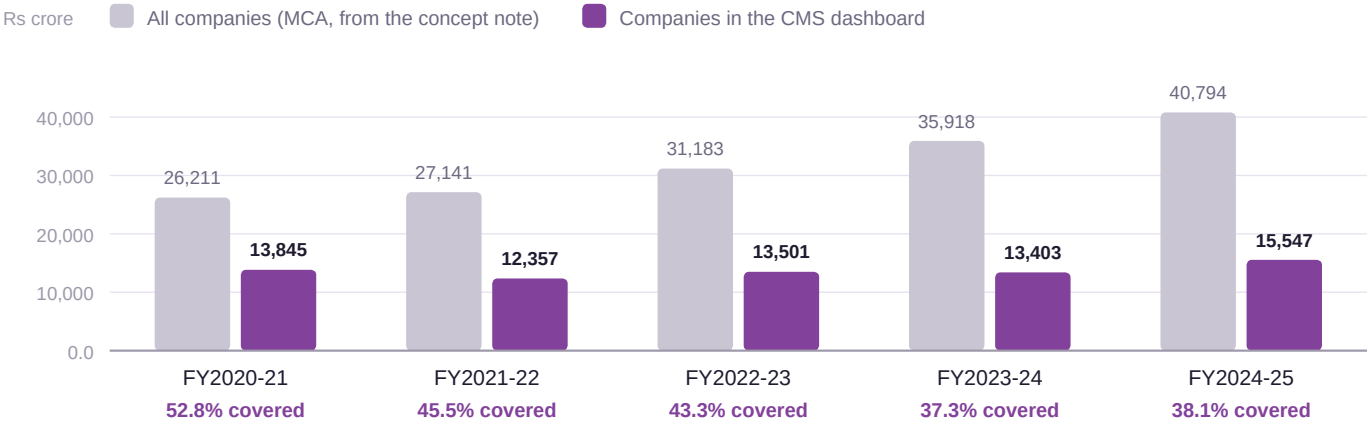

Key findings

- Spend by these companies grew +12.3% from Rs 13,845 Cr in FY 2020-21 to Rs 15,547 Cr in FY 2024-25, slower than the all-India growth of 55.6%, so their share of national CSR fell from 52.8% to 38.1%.
- Geographic concentration mirrors the concept note: the top five states (Maharashtra, Gujarat, Karnataka, Uttar Pradesh, Tamil Nadu) take 52.0% of state-attributed spend, between 43.8% and 56.5% every year.
- Bihar received Rs 738.9 Cr, about Rs 71 per person over five years, against Rs 547 in Haryana, Rs 361 in Rajasthan and Rs 1,446 in Delhi (national average Rs 390).
- The North-East received Rs 1,920 Cr (4.1% of state-attributed spend); Assam alone took 69.6%, led by oil and gas PSUs. The other seven NE states shared Rs 582.89 Cr.
- Aspirational districts received Rs 3,332 Cr (4.9%), against roughly 15% of India's population. The yearly share stayed between 2.3% and 4.7% until FY 2023-24, then rose to 8.5% in FY 2024-25.
- Education and Health Care take 51.0% of spend. The eight Schedule VII heads the concept note flags as neglected together received 5.7%; senior citizens, slum development, women's homes and technology incubators each received less than 0.15%.
- 66.5% of spend is filed as delivered through implementing agencies and 27.3% directly by companies; own foundations appear in only 2.2% of filings, which likely understates in-house delivery.
- Ten companies account for 36.3% of the spend in view; tables in each section name the companies behind every finding.

SECTION 1

How much of India's CSR this report covers

Dashboard companies against the all-India MCA totals quoted in Table 1 of the concept note. Coverage fell from 52.8% to 38.1% because national CSR grew faster than spend by these companies.

SECTION 2.2 - ADDED ANALYSIS

Spend relative to population

Five-year spend per person (Census 2011 population). National average: Rs 390 per person. This is the "relative to need" lens the consultation asks for, using population as the simplest proxy.

Rs per person over five years, lowest first (States/UTs above 10 lakh population)

Census 2011

Dark bars are below half the national average (Rs 195 per person). Census 2011 is the latest official census; 2026 projections would raise all denominators but barely change the ranking.

Spend, population share and Rs per person for the states named in the concept note

Aspirational Districts

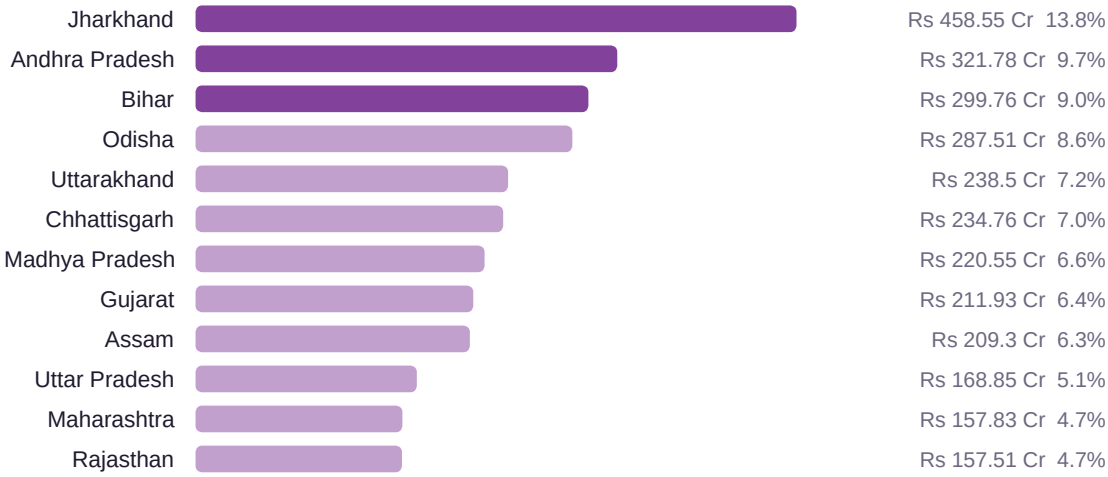

Rs 3,332 Cr (4.9% of spend) across 108 aspirational districts, from 367 companies and 4,499 project lines. These districts hold over 15% of India's population (concept note). Spend doubled in FY 2024-25 to Rs 1,328 Cr.

Aspirational districts follow NITI Aayog's official list of 112, matched by state and district, including former names used in filings (e.g. Visakhapatnam, Nuh, West Singhbhum). This corrects the dashboard workbook's own list, which missed several official districts (e.g. Singrauli, Dantewada, Sonbhadra) and wrongly flagged Aurangabad (Maharashtra).

SECTION 5 - CONCEPT NOTE 3.4

How CSR is delivered

As filed, 66.5% of spend goes through implementing agencies and 27.3% is spent directly. CRISIL reports a sharp shift to in-house delivery among listed companies; in these filings, company-owned trusts are rarely recorded as such, so in-house delivery is probably understated.

Delivery mode	5-yr spend (Rs cr)	Share	Top companies using this mode (Rs crore)
Implementing agencies	45,629	66.5%	Reliance Industries Ltd (4,173); Tata Consultancy Services Ltd (3,711); HDFC Bank Ltd (3,327); Tata Steel Ltd (1,779); ITC Ltd (1,620)

Delivery mode	5-yr spend (Rs cr)	Share	Top companies using this mode (Rs crore)
Directly by company	18,729	27.3%	Indian Oil Corporation Ltd (996); Power Grid Corporation of India Ltd (940); Wipro Ltd (747); Jindal Steel and Power Ltd (724); HDFC Bank Ltd (720)
Own or government foundation	1,537	2.2%	Infosys Ltd (270); Hindustan Petroleum Corporation Ltd (120); Housing Development Finance Corporation Ltd (111); SJVN Ltd (84.9); JSW Steel Ltd (78.3)

SECTION 6 - CONCEPT NOTE 3.5

Under-funded Schedule VII heads

The heads listed in the concept note together received Rs 3,944 Cr, 5.7% of spend. For comparison, Education alone received Rs 19,116 Cr.

Head (concept note 3.5)	5-yr spend (Rs cr)	Share of spend	Companies	Projects	Largest contributors (Rs crore)
(i) Senior citizens' welfare	91.7	0.13%	143	314	Shree Cement Ltd (16.5); Vishnu Chemicals Ltd (7.1); Sobha Ltd (5.4)
(ii) Reducing inequalities faced by backward groups	281	0.41%	152	391	ICICI Bank Ltd (38.9); Oil and Natural Gas Corporation Ltd (26.2); Axis Bank Ltd (22.9)
(iii) Homes and hostels for women	94.5	0.14%	61	110	Infosys Ltd (63.8); L&T Technology Services Ltd (3.2); Mangalore Refinery and Petrochemicals Ltd (3.0)
(iv) Slum area development	85.9	0.13%	37	125	HCL Technologies Ltd (54.0); Tata Steel Ltd (16.6); Mazagon Dock Shipbuilders Ltd (2.9)
(v) Special education (includes disability)	471	0.69%	231	798	Larsen and Toubro Ltd (41.8); Infosys Ltd (38.9); Oracle Financial Services Software Ltd (22.5)
(vii) Heritage, art and culture	1,279	1.86%	267	1271	Power Grid Corporation of India Ltd (243); Tata Steel Ltd (104); Steel Authority of India Ltd (77.7)
(vii) Sports	1,610	2.35%	319	1445	Reliance Industries Ltd (445); Tata Steel Ltd (124); REC Ltd (106)
(viii) Technology incubators	30.7	0.04%	24	34	Bajaj Auto Ltd (10.0); Bharat Petroleum Corporation Ltd (4.0); ICICI Securities Ltd (4.0)

Not measurable from filings: (iii) gender-based-violence response beyond homes and hostels (one-stop centres are not a separate head), (v) disability separately from special education, and (vi) disaster risk reduction separately from relief. Filings use the Schedule VII head only, so these need project-level text classification.

SECTION 8

Ideas for the consultation

Suggestions drawn from the figures above, for discussion with the roundtable participants.

- Bring the North-East's leading spenders (Oil India Ltd; HDFC Bank Ltd; Oil and Natural Gas Corporation Ltd) to share what made Assam work, and test whether the same model can extend to the seven smaller NE states, which together received Rs 582.89 Cr.
- Aspirational-district spend jumped in FY 2024-25; ask HDFC Bank Ltd; Indusind Bank Ltd; NTPC Ltd what changed, and whether a joint pipeline of district projects could lift the share toward the population share of about 15%.
- Bihar receives about Rs 71 per person against a national average of Rs 390. A pooled Bihar facility (CSR Rules allow collaboration) could lower the partner-search cost that the concept note links to low-spend regions.
- For each under-funded head, the few companies already active (e.g. Infosys Ltd in women's hostels, HCL Technologies Ltd in slum development) are natural champions to recruit peers.
- Ask MCA to add a mandatory district field and an implementing-agency name to CSR-2 filings: 31.2% of spend in this set has no state and FY 2020-21 filings rarely carry a district, which limits geographic targeting.
- Use the Social Stock Exchange ZCZP route for heads with few active companies (technology incubators: 24 companies in five years), where pooled instruments may suit better than single-company projects.

Data sources and notes

- CSR spend: CMS CSR Intelligence Dashboard dataset (built 2026-09-10) from MCA National CSR Portal project-level filings, FY 2020-21 to FY 2024-25, 1,230 companies and 60,169 project lines. Totals match the dashboard's Executive Dashboard.
- All-India totals: concept note Table 1 (MCA data). Population: Census of India 2011 (Telangana and Andhra Pradesh, Jammu and Kashmir and Ladakh split per current boundaries). Aspirational districts' population share: concept note, citing Sattva (2025).
- Aspirational districts: NITI Aayog's official list of 112 (2023), matched by state and district, with former district names as aliases.
- State shares exclude spend filed as Pan India or with no state, as in the concept note. North-East = Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim and Tripura.
- Data clean-up as in the dashboard: company name variants merged (e.g. "TCS" with Tata Consultancy Services, "HDFC" with HDFC Bank) and duplicate project lines filed under two Schedule VII heads removed.
- Each project line is filed against one state and district, so geography shows the filed location; multi-state programmes may run more widely. Theme = the Schedule VII head selected in the filing.
